TEDxYouth@Redmond is a TEDx event independently organized by youth within the greater Seattle area. This event will feature speakers from the community who will share their innovative ideas across a wide scope of subject areas. The theme of this event is “Dare to be Great”. We want to inspire youth to chase their dreams, be it on a large or a small scale. We hope to inspire a sense of motivation and inspiration that will ultimately allow TEDxYouth@Redmond attendees to become driven and passionate leaders of the future.
